

# FIRE EAGLE® XTREME

Art. No. 507530 men, 507531 women

NFPA 1971-2018, NFPA 1990 (1992) - 2022, NFPA 1951-2020, NFPA 1977-2022,  
CSA Z195-2014, ASTM F2413-2018

Waterproof, breathable, bacteria and chemical resistant with CROSSTECH®, leg height: 14 inches, sole 017

Available sizes: Men 5 – 16 & half sizes, Women 5 – 12 & half sizes  
Available widths: Narrow, Medium, Wide

507530/31

HAIX® AF System

HAIX® Boot Jack

HAIX® High Durability Cap System

## Upper Material

Waterproof leather, hydrophobic and breathable.

### HAIX® Sun Reflect Leather

Reduces the heating effect of the upper leather. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

### HAIX® Secura Liner®

Footwear inner liner which will never pull out or wrinkle up over time; lining is firmly secured and sealed along with the upper leather beneath the sole.

### Moisture Barrier

CROSSTECH® footwear, waterproof and breathable, bacteria and chemical resistant, bloodborne pathogen resistant. Highly abrasion resistant and softly padded.

### Insole

Moisture-absorbent non-woven Strobel insole.

### Footbed

Comfortable, anatomically formed, shock absorbing, breathable, quick change, PU injected insert with excellent moisture absorption and quick drying qualities. Machine washable at 86°F.

### HAIX® Protective toe cap

Anatomically formed and well-padded composite protective toe cap to meet ASTM 2413-2018 and CSA Z195-2014 standard for personal protection – protective footwear.

## Protective Flexible Midsole

Flexible protective stainless steel, cast into the PU midsole, to meet ASTM F2413-2018 and CSA Z195-2014 standard for personal protection – protective footwear.

### Sole

Lightweight rubber/PU sole in a sports style with sturdy road/rough terrain profile and enhanced toe-to-heel support; wear-resistant with excellent anti-slip properties - even in cold weather. The lightweight PU shock absorption wedge provides extra walking comfort and excellent thermal insulation. The flame-resistant outer sole is non-marking and offers excellent resistance against heat, oil and fuels. It's bright yellow signal marks are visible even through thick smoke. Electrical hazard resistant to 18 kV acc. to ASTM F2413-18 and CSA Z195-2014.

### HAIX® Vario Wide Fit System

For a more individualized fit, boots fit can be adjusted with an alternate insole. Blue – narrower fit (thickest), Red – Moderate fit (average thickness), Yellow – Wider fit (thinnest). If boots feel slightly wide, HAIX® recommends using the next thickest insole; or, if slightly narrow, to use the next thinnest insole.

### HAIX® Arch Support System

Optimal ankle support and shock absorption in the arch provided by an anatomically formed last; good foot guidance and proper hold thanks to narrow heel and ankle shaft combined with added comfort through broad front foot area.

## HAIX® Ankle Flex System

Ankle Flex System refers to the functionality of a pull-on boot which enables it to adjust to different foot, ankle, and heel shapes providing optimal fit in the boot. Integrated flex-zones ensure high flexibility and prevents pressure points.

### HAIX® Climate System

Permits air circulation with every step – warm air is released and fresh air comes in through the vent holes at the top of the boot.

### HAIX® Fast Lacing Fit System

Patented two zone lacing system for quick and optimal lacing adjustment and correct fit of the boot. Added safety thanks to integrated instep protection.

### HAIX® Identification System

Name field for boot labeling.

### Other

Reflective strips, profiled toe cap, large boot straps on the tongue and backside, shin and metatarsal protection, boot jack, two zone lacing, soft, close fitting leg cuff.

### Extended Wear Program

Out of warranty footwear can be refurbished with original factory parts through an extended wear package. This package includes any necessary replacement or repair of stitching, insoles and retreading of soles. Footwear will be cleaned and deodorized. HAIX® footwear owners have the option of a sole retread or toe cap replacement only.
