

# COMBAT FORGE

Art. Nr. 214024

Color: brown, Nubuk leather, waterproof, highly breathable with GORE TEX  
leg height 8 inches, sole 016

Available sizes US 4 – 16 in half sizes

214024

HAIX® Climate System

Smooth running lacing elements

## Upper Material

Nubuk leather, hydrophobic, breathable  
2,0–2,2 mm thick

## Inner Lining

GORE-TEX Performance, waterproof, breathable, highly abrasion-resistant lining, optimal climate comfort for all seasons under the most demanding conditions, increased chemical protection

## Plastic/Non-woven Footbed

Moisture-absorbing, dimensionally stable, torsion-proof, avoids punctual pressure (e.g. of stones).

## Insole

Anatomically shaped, excellent moisture absorption, quick drying, replaceable, washable at 30°C

## Sole

Rubber/PU walking sole with proven street/terrain tread, wear resistant and non-slip traction; large, bevelled contact surface and superior bending comfort. Fuel-Oil resistance and non-marking characteristics. Heat and cold resistant.

## HAIX® Climate System

The HAIX® Climate system uses the pumping movement, which permits air circulation with every step – warm air is released and fresh air comes in through the vent holes at the top of the boot.

## HAIX® Smart Lacing

Smooth and pressure free adjustment for the shoe to the foot, quick lock and lace pocket.

## HAIX® 2-Zone Lacing

Two Zone Lacing System enables a separate adjustment of the boot to the foot and leg area. Fast lacing with secure lace lock, Anti-friction lacing elements with Easy Roller eyelets for smoother lacing adjustments.

## Others

Lacing system with smooth-running lacing elements, very good heat and cold insulation, pulling strap, manually applied rubber sidewall on the front and back of the boot for a better durability, brown sole, antistatic.
