

HAIX® GSG9-S

Art. No. 203102

HAIX® Secura Liner®, HAIX® Sun Reflect Leather, HAIX® MSL System, Leg height: 8 inches

Available sizes: 4 ½ – 15 & half sizes

Available widths: Medium, Wide

Sole Inlay

HAIX® Secura Liner®:

Footwear inner liner which will never pull out or wrinkle up over time; lining is firmly secured and sealed along with the upper leather beneath the sole.

HAIX® Sun Reflect Leather:

Reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

HAIX® MSL System:

Stands for Micro Soft Light which is extremely lightweight foam injected into the sole to provide exceptional shock absorption and superior heat/cold insulation. Long lasting system has been proven to last the lifetime of the boot.

Upper Material:

A combination of waterproof leather, hydrophobic, breathable leather and flame retardant fabric

Moisture Barrier:

CROSSTECH® Footwear waterproof, breathable, bacteria and chemical resistant, bloodborne pathogen resistant

Fast Roping Properties:

No seams on the inside lacing area of the shoe, abrasion-proof materials, padded ankle protection, and pronounced sole edge for superior braking features.

Closed two-zone lacing system:

No risk of catching or trouser leg abrasion, two-zone lacing can be separately and permanently fixed at different levels of tightness, flame retardant Nomex laces, hardware is nickel-free, rust-free, with no stud attachment through lining.

Protective Throughsole:

Flexible sole inlay, protection from nails

Sole:

PU impact absorption wedge for good insulation against cold, nonslip (even on cold or smooth surfaces), self-cleaning, non-marking, oil and fuel resistant, antistatic, allows quiet walking movements.

Insole:

Anatomically shaped, removable insole with moisture transportation properties and good shock absorption.

Extended Wear Program:

Out of warranty footwear can be refurbished with original factory parts through an extended wear package. This package includes any necessary replacement or repair of stitching, profiled rubber toe caps, insoles, and retreading of soles. Footwear will be cleaned and deodorized. HAIX footwear owners also have the option of a sole retread only or a toe cap replacement only.
