Available sizes: Men 4 – 16 & half sizes, Women 5 –12 & half sizes

610026/27

HAIX® Composite
Toe Cap

HAIX® Vario Wide
Fit System

Upper Material

Microfibre/textile combination.

Inner Lining

GORE-TEX® Extended; 3-layer GORE-TEX® laminate, waterproof and highly breathable. Abrasion-resistant lining with optimized climate comfort, especially for flexible alternating inside and outside use.

Insert

Comfortable, cushioning, moisture repellent, anti-bacterial. Separate heel shape for good cushioning and foot insertion. "AIRFLOW" channels. "Perfect-Fit" mark for an optimal verification of the correct shoe size.

Anti Slip

Very good grip on different terrains by profile configuration and use of a special rubber.

Protective Throughsole

Flexible, lightweight and metal-free sole.

Sole

Modern, light weight and sporty sole construction with rubber/PU street/terrain tread, abrasion-proof, for enhanced toe-to-heel support, ideal for cold weather conditions. The lightweight PU cushioning wedge provides optimum wear comfort. Excellent thermal insulation. The non-marking outer sole is resistant to heat, oil and gasoline.

HAIX® Composite Toe Cap

Anatomically formed and ultralight protective toe cap made of fiber-reinforced plastic for highest safety requirements.

HAIX® Vario Wide Fit System

For a more individualized fit, boot fit can be adjusted with an alternate insole. Blue – Narrower fit (thickest), Red – Moderate fit (average thickness), Yellow – Wider fit (thinnest). If boots feel slightly wide, HAIX® recommends using the next thickest insole; or, if slightly narrow, to use the next thinnest insole.

HAIX® Smart Lacing

Smooth and non-pressure adjustment of the boot to the foot, Quick lock and lace pocket.

Others

Lightweight, metal-free, Electrical Hazard Resistant Footwear (EH) / Electrical Shock Protective Footwear (Ω)

Extended Wear Program

Out of warranty footwear can be refurbished with original factory parts through an extended wear package. This package includes any necessary replacement or repair of stitching, profiled rubber toe caps, insoles, and retreading of soles. Footwear will be cleaned and deodorized. HAIX footwear owners also have the option of a sole retread only or a toe cap replacement only.
